REPORT ON TREES AT LAKESIDE PARK, Pruning by Peterson Tree, removed the dead as we were advised to by Ron Farr but more was done than we and Mayor Maio felt was necessary,

TREE CITY – PZ will find out if they can get us the brass maple leaf for the missing years of 2012-13-and 14.

Decided that an 8 foot banner will be made.

Time spent by Peterson's at Lakeside park goes to the inkind service for the grant. Also whatever work happens on the bank by the basketball courts.

Get estimated from Sunnyside Landscape, PMZ and Chippaior.

Nicole reported that Enviro Comm wants to do a project ie: planting along the bank by the gas station by Lakeside Park.
