MINUTES OF FEB 6 2018 OK-MOTION VC, SECOND MG

Arbor Day at the school is scheduled for Tuesday April, 24 none of us can be there, so PZ will contact Cathy Yonki and let her know.

PZ to check with Ron to plan a date for our annual tree inspection. Suggestions are April 29 or May 6, Sundays.

OUR ORD CHANGES, our ordinance has a provision to impose a fine, can we word the ordinance so that both the homeowner and the tree company will be fined if work is done without a permit. We need to meet with the Mayor and if possible the police to get their input on enforcing the ordinance. If this is successful notice should be sent to local tree services and a copy to the newspapers.

Meeting adjourned 7:35
