

Sussex County  
Department of Health and Human Services  
Division of Health  
Office of Mosquito Control

**The Sussex County Office of Mosquito Control has confirmed  
West Nile virus in the adult mosquito populations in  
Stanhope Borough.**

The Office of Mosquito Control is dedicated to protecting the health of Sussex County residents by using comprehensive mosquito surveillance information to direct control decisions and aggressively treat for mosquitoes in affected areas. Efforts will continue until the threat of further disease transmission has passed.

If you or your residents have any questions or concerns please contact:

The Sussex County Office of Mosquito Control at 973-940-5225

8 AM- 4:30 PM, Monday through Friday
